GENERAL LEAVE

Mr. TAKANO. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and to insert extraneous material on H.R. 3730, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I support this legislation, H.R. 3730, sponsored by Mr. SABLAN and Mrs. RADEWAGEN, which would create an advisory committee on veterans living in outlying areas and freely associated States, including island territories.

The advisory committee would have a variety of members, including experts from the covered geographic areas. The Secretary will be able to consult regularly with, and receive the input of, this advisory committee regarding the administration of benefits and VA programs. Once established, the advisory committee will report annually on the needs of the covered veterans and provide much-needed recommendations.

This bipartisan legislation is supported by the American Legion, Veterans of Foreign Wars, Minority Veterans of America, Iraq and Afghanistan Veterans of America.

Mr. Speaker, I reserve the balance of my time.

Mr. BOST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 3730, to create a VA advisory committee on better serving veterans' needs in the territories. For a number of Congresses, Congresswoman RADEWAGEN, Congresswoman GONZÁLEZ-COLÓN, Congressman SABLAN, and other delegates from the territories have honorably served their veterans and constituents.

Committee staff has traveled with many of our delegates and colleagues to the Northern Mariana Islands, American Samoa, and Puerto Rico. We have seen firsthand the disparities and the difficulties that their veterans face when trying to access healthcare and benefits from the VA.

The combination of limited transportation options, the lack of local re-

sources, the overlapping Federal agency jurisdictions, and the complexities around VA care in neighboring foreign nations make the territories different from the rest of the Nation and difficult to work in.

Unfortunately, the challenges that the veterans in the territories face always seem to slide down to the bottom of VA's priority list.

While I am generally skeptical of new advisory committees, I believe the voices of the veterans in the territories are not being heard, and I share Congresswoman RADEWAGEN's and Congressman SABLAN's goal of elevating their needs.

For those reasons, I support the bill, and I encourage my colleagues to do the same.

Mr. Speaker, I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I yield 5 minutes to the gentleman from the Northern Mariana Islands (Mr. SABLAN), my good friend and valued member of the Committee on Veteran Affairs, who serves on the Health Subcommittee.

Mr. SABLAN. Mr. Speaker, my bipartisan legislation, H.R. 3730, creates a VA advisory committee for marginalized veterans living in the Marianas, the other United States insular areas, and in the freely associated States. Veterans in my district, especially, and in the other insular areas, too, face barriers to VA services no vet should be forced to endure.

In Northern Marianas, there are no VA clinics and no Vet Centers.

Veterans in my district sometimes fly 3,700 miles to Hawaii or over 6,000 miles to California to access VA services. And that is why my bill, establishing a committee to educate the Secretary on the obstacles insular area veterans face, is so important.

Each U.S. insular area and each of the freely associated States would have a seat on the advisory committee. Each would be able to describe the barriers their veterans face in receiving VA services.

Establishing an advisory committee will not solve every logistical problem for veterans who live in geographically remote areas of America, but at least those veterans on the margins will have a way to communicate directly with the Secretary of Veterans Affairs. And when the Secretary hears about the barriers to service these insular veterans face, maybe, just maybe, change will occur.

Mr. Speaker, I thank the Minority Veterans of America, the Veterans of Foreign Wars, American Legion, and the Iraq and Afghanistan Veterans of America for their support of this bipartisan bill, H.R. 3730.

I also thank Chairman TAKANO, Ranking Member BOST, Congresswoman RADEWAGEN, and my fellow members of the Committee on Veterans Affairs for their unanimous support to report my bill favorably to the House of Representatives.

Mr. Speaker, I ask my colleagues to support H.R. 3730 to give marginalized veterans in the insular areas a voice in the Department of Veterans Affairs.

Mr. BOST. Mr. Speaker, I encourage my colleagues to support this bill, and I yield back the balance of my time.

Mr. TAKANO. Mr. Speaker, I ask all my colleagues to join me in passing H.R. 3730, as amended, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. TAKANO) that the House suspend the rules and pass the bill, H.R. 3730, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. TAKANO. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.
